

here when you need us what are we doing?

Improved multi-step cleaning process, using disinfectant paying special attention to touch points.

Our team wash their hands before and after getting on the bus. On board hand sanitiser dispensers are also provided for customers.

Temporary screens to form a physical barrier between you and our team.

PPE offered to our teams including face masks, gloves, hand sanitiser and disinfectant wipes.

Extra cleans during the day, mist disinfectant used on all buses every evening during our deep cleans.

Temperature checks for our team at the start of every shift.

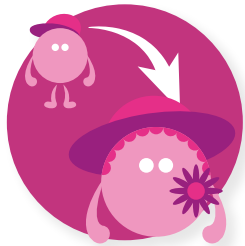

top tips for traveling safely by bus

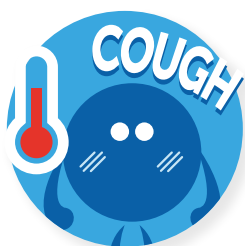

Please wear a face covering, whether it's a mask, scarf, bandanna or similar.

Please wash your hands before and after using the bus, or use hand sanitiser.

Please social distance wherever possible and leave the seats behind the driver free.

Travel contactless or use mango/saver. If you have to use cash, please try and use correct change.

If you're feeling unwell or showing any recognised symptoms please do not travel and self-isolate.

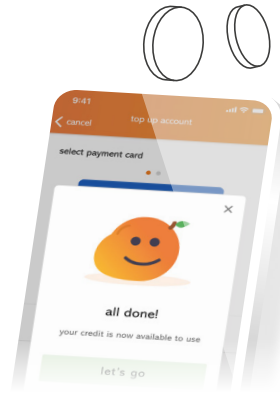

Always cough or sneeze into a tissue (and dispose of it).
